

Delaware Bay Beach Work Group
Drainage Sub-Work Group
Meeting Notice

At the April 8, 2011 meeting of the Delaware Bay Beach Work Group, a Drainage Sub-Work Group was created for the purpose of developing a decision-making matrix to prioritize drainage projects in the bay beach communities.

Meeting Date and Time:

Monday, June 27, 2011
10:00 am - 12:00 Noon
Senate Hearing Room
Legislative Hall, Dover

Meeting Purpose: To develop a decision making matrix to prioritize drainage projects. Criteria will include public safety, economic, technical, environmental, ecological, agricultural, and any other factors the committee may determine to be appropriate.

Agenda
